Flashes From the Wire

NEW YORK, March 31.—About 500 op-timists met at the Waldorf-Astoria to-night for the first annual dinner of the Optimists club of America. Among the speakers was Senator Nixon of Nevada.

HAVANA. March 31.—The last emblem of American domination over Cuba disappeared at noon today, when the garrison flag at Camp Columbia fluttered down the pole and was replaced a moment later by the lone-star red banner of the Cuban republic.

TERRE HAUTE, Ind. March 21—The Jasonville race rlot, which began at the Eogle mine, appears to be at an end. The last of the Hungarians left, the town Tuesday night leaving their property behind them. Many of them are naturalized citizens and own their own property. A small shift has gone to work at the mine today with armed men on guard.

HIGH SCHOOL NOTES

At the recent meeting of the high school congress the lower house completed its election of officers. Near the opening of the meeting Principal Eaton presented to the house, through its secretary, a complete set of books for the tecords and proceedings. The books are handsome, being bound in heavy tan leather and with detaclable pages. On the first few pages the constitution and hy-laws of the congress are engraved. The work was done by Professor Todd of the penmanship department. Frank Wheeling of the sophomore class was elected doorkeeper and Jack Bell assistant secretary. aut secretary.

The committee from the senior class that will have charge of the commencement exercises will hold all its meetings in secret, as it is the plan of the class to keep the commencement programme quiet. A number of meetings will be held in the next two weeks, as the time for practice is getting short. The members of the committee are Gilbert Williams chairman, Marjory Short, Will Hall, Grace Bird, Mildred Jones, Lawrence Clayton and Dee Stone.

During the first semester the classes were conducted in the afternoon, but since Professor Harwood has secured an assistant the classes now run the entire day.

CHICAGO, March 31.—The opening block of 200 points of the match for the pool championship of America between Thomas Heuston and "Cowboy" Weston, which was held here tonight, resulted in an easy victory for Hueston by the score of 201 to 148. The same block will be played tomorrow night. An announcement recently was made to the cadets that caused considerable interest, for it concerns every cadet in the battalion. Colonel Sam Park will give a gold medal to the cadet who has the hishest grade on an oral examination in guard duty. In addition to the guard medal, it is being planned by Captain Webb to ofter a silver medal to the best-drilled cadet in each company and a gold medal to the best-drilled cadet in the battalion.

The matter of dress for the spring graduation exercises is causing considerable trouble among the senior girls, and a meeting to settle the question resulted in nothing much being done. There is trouble as to whether or not gloves shall be worn and whether the slippers and stockings shall be black or white

The regular Friday meeting of the high school congress will be called off this week, as the senior students will be busy taking the preliminary examinations for graduation.

The cadet battallon will hold a special drill Thursday afternoon for one hour. Time is limited before the big parade and a number of movements must be improved upon. As a whole the work of the cadets is good and Captain Webb is well pleased.

WASHINGTON, March 31.—Additional taxes will be levied on liquors, wines and canned goods by Salvador after April 10. These taxes will be in addition to the customs duties. The additional tax on imported liquors will be 50 cents per quart bottle; on heavy and white wines, 25 cents per quart, and on red table wines, 5 cents per quart, on canned goods the tax will be 10 cents per kilogram. A census of the senior class was taken Wednesday morning during the first period in order that the office may have a complete record of the students.

President Lester Wire of the Athletic association will call a general meeting of all members, when the matter of the coming class track meet, and also the Glympic meet, will be discussed. Both the meets are of considerable importance, as the outcome of the track team depends largely upon them. The Fred C. Richmond medal will be given to the best all-around athlete at the Olympic meet. Silver and bronze medals will be given away at the class track meet. It is something for the boys to think about, and for this reason the meeting will be held. Principal Eaton will also give the boys a good athletic talk.

Owing to the fact that Tom Leaver has quit school there is a vacancy in Company B. The position of first ser-geant has been filled by the appointment of Reginald Wallace Wednesday after-

The athletic directors finally gave in and allowed the members of the basketball team caps in return for their work on the team. The caps already have been purchased and distributed to the pluyers. They are all red with a large black "H" in front with a small black "H" on each side of the "H." The team will meet in a short time and elect officers.

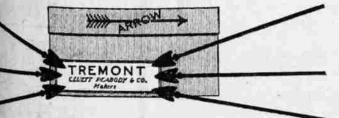

SOTHERN DIVORCE SUIT MADE A TEST CASE

RENO. Nev., March 31.—Two judges listened to arguments in the Sothern divorce case this afternoon. This case involves all the technical features of Nevada's broad divorce law. Mrs. Sothern, who brought the suit last July, had the papers filed and a summons served on Sothern, who was then in Reno. After being served with the summons Sothern left Nevada. When the trial was called neither party appeared and the testimony was in the form of depositions. Mrs. Sothern's attorneys contend that the statute was complied with, because the summons was served on the defendant Sothern in this state. It is planned to make a test case of the Sothern affair and in all probability the supreme court will be called upon for a ruling. RENO, Nev., March 31.-Two judges

NOTES OF "U"

The programme for the meeting of the French section of the Modern Language circle Thursday afternoon will include numbers by Miss Hazel Barnes and Miss Maude Riter, a paper on the life of Rostand, and two French readings by Miss Christensen and Mr. Kert.

WASHINGTON, March 31.—It was announced at the war department today that Arthur H. Derg. San Diego. Cal., civilian candidate for appointment as second lieutenant in the coast artillery corps, successfully passed competitive examination. At a meeting of the juniors at the university Wednesday afternoon the report of the committee, consisting of George Roberts, A. A. Anderson and Zella Schodield, regarding the arrangements for the proposed junior banquet was adopted with very little opposition. The report provided for giving the affair on the evening of May I, at the Commercial club, the only condition being whether it would be possible to obtain the armory ballroom on that evening. The plan is to give a dance in connection with the banquet and it will accordingly be necessary to get the two halls on the same evening. HAVANA March 3i—The bodies of all the missing from the Hamburg-American steamer Altenburg, destroyed by fire Monday, were found in the harbor today. The bodies number fourteen, and include the second officer, the cook, the steward, cabin boy, four white members of the crew and five St. Thomas negroes.

The vice presidents of the Women's league met with Miss Van Cott Wednesday afternoon and perfected arrangements for a mass meeting of all the girls in school, to be held Thursday at noon. A number of important matters will be considered and the presence of every girl is essential to the success of the meeting.

NAPLES. March 31.—The Naples authorities are taking extraordinary precautions to insure the safety of former President Roosevelt during his short visit to this city. They are keeping a close watch on the Italians who have returned from the United States or who have relatives there, and also on foreigners of different nationalities. A recent letter from Chicago announces further honors received by Clarence Openshaw, a medical student in the Northwestern Medical college, who graduated from the medical department of the university a couple of years ago. Young Openshaw's latest honor is the winning of third place in a competitive examination given to 500 medical students by the authorities of the Cook county hospital. Not only was he third among the entire number, but he stood first among about fifty Northwestern men who took the examinations. MONTE CARLO, March 31.—The inter-national auto boat exposition was opened here today by the Prince of Monaco. The races will begin saturday. Six countries will be represented and there are ten en-tries. As there will not be any big auto-mobile road races this year these con-tests will afford the 1993 test for ex-plosive motors. aminutions.

The great Russian novelist. Tolstol, and a few of his best works, received the attention of the members of the Order of the Gleam at their regular meeting, held Tuesday afternoon. Miss Margaret Johnson gave a paper on the writer's life and some of his most famous works, and Miss Vivian Tolhurst reviewed "Anna Karenine."

It has recently been decided that the greater part of the milling plant, which was used in the exhibit of the mining and metallurgical industries in the Utah building at the St. Louis fair several years ago, shall be removed from the University of Utah mill, where it is at present, to Scattle, for the exposition next summer.

At Cypmer, N. Y., he went to bed at 2:30 this afternoon and slept till 4 o'clock, when he resumed his tramp. To show that his ankle was not seriously sprained he dianced a jig upon his arrival at Union City. "I never could quite see why a man wants to shoot elephants, zebras, antelopes and other animals wilfully. Elephants are so useful to us, you know, for they are put to work at so many things. Why, shooting at an elephant is just like pouring shot into the side of a farm barn. It is really too had to kill them."

NEW YORK March 31.—The creditors of Otto Heinze & Co., bankers and brokers, who falled during the panic of 1907, met here today at the office of Suffern & Son, public accountants, and, apart from the hearing of their committee's report, nothing was accomplished. It was admitted that the bankruptcy adjudication gave the cerditors little to hope for. Howard E. White, who was chairman of the committee appointed by the creditors to work out some plan of resumption, announced that Otto Heinze would not consider their plan, and they believed it impracticable to consider his plan. Mr. White and his fellow committeemen denounced the Heinze plan. was charged, had disciplined some of students for staying out late at night.

Despair and Despondency
No one but a woman can tell the story of the suffering, the
despair, and the despondency endured by women who carry
a daily burden of ill-health and pain because of disorders and
derangements of the delicate and important orders that are derangements of the delicate and important organs that are distinctly feminine. The tortures so bravely endured com-pletely upset the nerves if long continued. Dr. Pierce's Favorite Prescription is a positive cure for weakness and disease of the feminine organism.

IT MAKES WEAK WOMEN STRONG,

SICK WOMEN WELL.

It allays inflammation, heals ulceration and soothes pain. It tones and builds up the nerves. It fits for wifehood and motherhood. Honest medicine dealers sell it, and have nothing to urge upon you as "just as good." Ask Your Neighbors. They probably know of some of its many cures. If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser—revised, up-to date edition, in paper covers.
